- FR** Gilet de sauvetage - Les dispositifs flottants ne diminuent que le risque de noyade, ils ne garantissent pas le sauvetage.
- EN** Lifejacket - Flotation devices only reduce the risk of drowning. They do not guarantee rescue.
- DE** Rettungsweste - Schwimmhilfen und Rettungswesten verringern nur die Ertrinkungsgefahr. Eine Rettung ist damit nicht garantiert.
- ES** Chaleco salvavidas - Los dispositivos de flotabilidad disminuyen el riesgo de ahogo, no garantizan el salvamento.
- IT** Giubbotto salvagente - I dispositivi di galleggiamento diminuiscono solamente il rischio di annegamento. Non garantiscono la salvezza.
